

PLEASE READ the tips below and PRINT them out to help you with the online registration process.
(Please be patient)

On the drop down menu, select the correct program by checking the white box on the left, and click REGISTER. On the next screen, you have three options:

- 1) If you are a current Treasure Valley YMCA member or program participant and have used our system in the past for online registration, choose option 1 and enter your email address and password.
- 2) If you have used our online system before, but cannot remember your password, enter your email address in option 2 and click the reset button. ** If your email address is listed for more than one person in your family, this feature will not work. Please call 344-5502 x256 and ask to have your password reset by our staff. We apologize for the inconvenience.*
- 3) If you have not used our online registration system before, or do not live in the Treasure Valley, choose option 3. Enter your last name, birthdate and zip code and click on FIND ME.
 - a. If you are not in our system, click the CREATE NEW ACCOUNT option that appears below Option 3. *The YMCA does not sell memberships online. Setting up an account only enters your contact info into our system so you can register for programs online, and we can accept online payments.*
 - b. Only fields with an asterisk * are required. All other fields are optional information.
 - c. After entering your name and contact information, click on NEXT at the bottom of the page.
 - d. When selecting a branch, choose the one closest to your home if you live in the Treasure Valley. If you are unsure, choose the Homecourt YMCA then click on SELECT next to the PROGRAM MEMBERSHIP box.
 - e. If you will be registering more than one person for the ride, choose ADD ADULT and follow same steps as you did for yourself. If you are only registering yourself, click on NEXT.
 - f. Enter your email address and a password.
 - g. Once you have successfully set up your account, you will be taken back to the program listing page. Here, find the tag labeled RIDE IDAHO.
 - h. Please select the correct person in your family, if more than one, read the wavier, and select I ACCEPT, then click on the NEXT button.
 - i. You will need to answer a set of questions pertaining to the ride: Type of Bike, Tire Size, Number of Gears and what type of components (Shimano, Sram, or Campagnolo) make up your bike. All information is maintained by the YMCA and is not sold or used for marketing purposes other than programs you've already participated in, i.e. Ride Idaho.

- j. You will be registered after all rider and payment information is entered. There will be a printable receipt when payment is made to confirm your registration. You will have an opportunity to set up an automatic draft of the balance on the due date.
